

# HOLLAND'S YOUTH COVID-19 Agreement

The coronavirus pandemic (COVID-19) presents a challenge to everyone to help keep themselves and others safe from the illness as well as resume important daily activities. Holland's UMC is devoted to the health and safety of our youth and their families while nurturing faith development and Christian fellowship. We will adhere to recommended safety guidelines such as temperature screening, social distancing, frequent hand-washing or use of hand sanitizer, face mask wearing when indoors or when social distancing is not possible, and cleansing of high touch areas. If a youth falls ill, their parent will be contacted to pick up the youth immediately and other parents notified with confidentiality in mind. In order to do this, we need everyone (adult leaders, parents, and youth) to cooperate with the recommended practices. Please see the agreement below and sign prior to the first group meeting the youth attends.
